Notice Project Title Finalization

The IT Department is pleased to announce the guidelines for the final year project title finalization. Each student group must present three potential project titles along with a relevant journal paper for each title. The presentation will be held on **17th August 2024 Venue HoD IT cabin.**

1. Group Formation:

Form groups consisting of 3-5 members(One Girl Member must be there in Group). Ensure the group is formed and registered with the project coordinator by 5th August 2024.

2. Project Title Selection:

Each group must select three project titles that are innovative, relevant, and feasible. Titles should be aligned with current IT trends and technologies.

3. Journal Paper Reference:

Ensure the journal papers are from reputable sources like IEEE, ACM, or other peer-reviewed journals. Papers should be recent (published within the last three years).

4. Document and Presentation Preparation:

Prepare a document and presentation for each project title including the following details:

Title: Clearly state the project title.

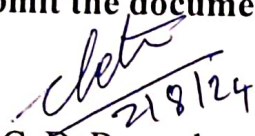

Abstract: A brief summary of the project idea (150-200 words).

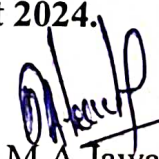

Objective: Outline the primary goal of the project.

Methodology: Describe the approach or methodology to be used.

Expected Outcome: Highlight the expected results and benefits.

Submit the document to the project coordinator by 14th August 2024.
